

GET TOGETHER- The Youngbloods/Jesse Colin Young (written by Dino Valenti)

INTRO/Count in: **Bob** [G] [F] [G] [F]

[G] Love is but a song we sing
Fear's the way we [F] die
[G] You can make the mountains ring
Or make the angels [F] cry
[G] Though the bird is on the wing
And you may not know [F] why

[C] Come on people now, [D] smile on your brother
Every-[G]-body get together, Try to [C] love one a-[D]-nother right [G] now

[G] Some may come and some may go
We will surely [F] pass
[G] When the one that left us here
Returns for us at [F] last
[G] We are but a moment of sunlight
Fading in the [F] grass

[C] Come on people now, [D] smile on your brother
Every-[G]-body get together, Try to [C] love one a-[D]-nother right [G] now

INSTRUMENTAL: **Bob** (over one verse and chorus)

[G] If you hear the song we sing
You will under-[F]-stand (*Listen*)
[G] You hold to key to love and fear
All in your trembling [F] hand
[G] Just one key unlocks them both
It's there at your com-[F]-mand

[C] Come on people now, [D] smile on your brother
Every-[G]-body get together, Try to [C] love one a a-[D]-nother right [G] now
[C] Come on people now, [D] smile on your brother
Every-[G]-body get together, Try to [C] love one a-[D]-nother right [G] now...
Right [G] now...right [G] now (G)
