**(chord) = one strum**

**CAPO = 2**

**INTRO/Count in:** **Cathy** [Am] 1-2-3 *Before this...*

Before this [Am] dance is through, I think I'll [Dm] love you [E7] too,  
I'm so [Dm] happy when you [G7] dance with [C] me. [G7]

I don't [C] want to kiss or [Am] hold your [Dm] hand, [G7]  
If it's [C] funny try and [Am] under-[Dm]-stand. [G7]  
There is [F] really nothing else I'd rather [C] do [Am]  
'Cause I'm [Dm] happy just to [G7] dance with [C] you. [G7]

I don't [C] need to hug or [Am] hold you [Dm] tight, [G7]  
I just [C] wanna dance with [Am] you all [Dm] night. [G7]  
In this [F] world there's nothing I would rather [C] do, [Am]  
'Cause I'm [Dm] happy just to [G7] dance with [C] you.

Just to [Am] dance with you, [Dm] [E7]  
Is [Am] everything I [Dm] need [E7]  
Before this [Am] dance is through I think I'll [Dm] love you [E7] too,  
I'm so [Dm] happy when you [G7] dance with [C] me. [G7]

If some-[C]-body tries to [Am] take my [Dm] place, [G7]  
Let's pre-[C]-tend we just can't [Am] see his [Dm] face. [G7]  
In this [F] world there's nothing I would rather [C] do, [Am]  
'Cause I'm [Dm] happy just to [G7] dance with [C] you.

Just to [Am] dance with you, [Dm] [E7]  
Is [Am] everything I [Dm] need [E7]  
Before this [Am] dance is through I think I'll [Dm] love you [E7] too,  
I'm so [Dm] happy when you [G7] dance with [C] me. [G7]

If some-[C]-body tries to [Am] take my [Dm] place, [G7]  
Let's pre-[C]-tend we just can't [Am] see his [Dm] face. [G7]  
In this [F] world there's nothing I would rather [C] do, [Am]  
I've dis-[Dm]-covered I'm in [G7] love with [Am] you  
'Cause I'm [Dm] happy just to [G7] dance with [C] you.

[Dm] Oh, [G7] oh . . . [Dm] Oh, [G7] oh . . . (C) Oh! **(REMOVE CAPO)** ☺
